RE: Federal regulations concerning the inspection, re-inspection, periodic surveillance, response activities and management planning for our school district.

I am pleased to advise you that Paradise ISD is working hard to maintain compliance with the federal AHERA regulations.

Should you desire to review the management plan for your child's school, a copy of the plan is available in the Administration Office during normal business hours.

If you have any questions about the plan or this federally mandated program, please contact me at 940-969-5001.

Sincerely,

Mac Edwards
Superintendent
