

Paradise Independent School District

Paradise High School

2017-2018 Goals/Performance Objectives/Strategies

Mission Statement

The mission of Paradise High School is to unite the efforts of staff with the support of parents and community to provide challenging educational opportunities in academic, career and technology, and leadership areas for all students. We will demonstrate service, integrity and excellence in all that we do. We will provide an environment in which students become proficient, life-long learners who make successful contributions to society.

Vision

The vision of Paradise High School is to provide a climate which empowers students and provides an academic rigor for excellence in order to promote a self-reliant, self-confident, life-long learner.
