

PARADISE INTERMEDIATE DECEMBER NEWSLETTER

Morning Drop off

- When dropping off your child in the morning please have them exit on the drivers side. If that is not possible please have them walk in front of your vehicle.
- Do not pass in the drop-off line.
- All drop-offs need to be in the left hand lane.
- Please pull up to the crosswalk past the gate.

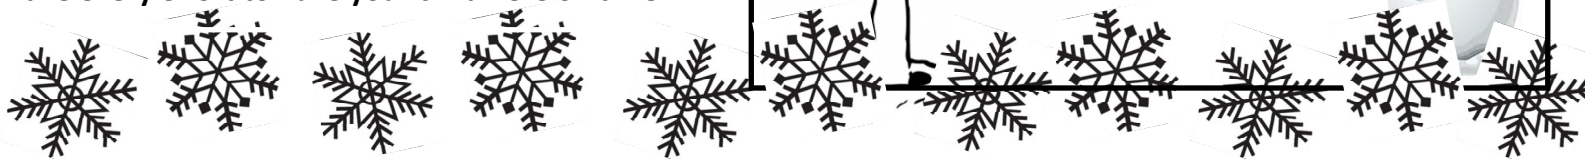

UIL:

Congratulations to our UIL students and coaches! For the sixth straight year, we won highest points in fourth and fifth grades. Along with our Elementary school, we won the entire Elementary UIL Meet.

Reminder:

The bell rings at 7:55. The back gate is locked after the bell rings. If you get to school after the gate is locked, students will need to be dropped off in the front of the building to get a tardy slip. When students are tardy, they are missing valuable classroom instruction. Please make every effort to have your child here on time.

Live Thankfully

We will be collecting food through, December 6th. The classroom that brings the most food items will win a pizza party and an hour of recess.

December

- 1st- 6th Live Thankfully Food Drive
