Charge Policy

Students will be allowed to charge on an emergency basis only.

After two charges the campus Manager will contact a parent/guardian. The student will be allowed to eat and will be charged the regular price for those meals.

After the third charge and the student still has not brought money, the Cafeteria Manager will notify the Nutrition Office. The Nutrition Office will contact the Parent/Guardian that the student account has been suspended until the charges are paid.

If a parent or guardian has had a change in financial status (death, job loss, divorce, or deployment) they may file for free or reduced benefits.

A copy of the application is available at every campus office and in the Nutrition Office by calling 940-389-7688.

Parent/Guardians are still responsible for all charges. Even if you are approved for meal benefits you must pay the charges.

Payment Options

Payments may be paid at anytime in the cafeteria with cash, check or online at PaySchool.com. You may also prepay for meals at anytime in the cafeteria or by sending an envelope with your student's name and teacher on the outside of the envelope.

This information can also be found on the school website.
